Once arrived in Montpellier, you can go to the "Espace Logement Etudiant" exhibition at the Montpellier City Hall from mid-August to beginning of September 2018. You will find help and small ads to find a shared apartment or any accommodation.

If you choose to reserve a room in a Public University Residence, please fill the box concerning accommodation in the Moveon Application Form.

Ms. Jessie CHIAVASSA (email: ri.iae@um2.fr) is in charge of the booking process. **Please don't contact the CROUS directly.**

IMPORTANT: Reservations are for 4 or 10 months. You will pay your rent until the 31st of December 2018 for the 1st semester or until 15th of June 2019 for the 2nd semester, even if you leave earlier.

PROCESS:

1. If there is availability in one of our public dormitories, an email message will be sent automatically with a code to enter the software of the CROUS (French University Housing Service) called INTERLOG.
2. You will have to connect, select your room and dormitory and fill in the form on line.
3. A few days later, you will receive an accommodation proposal which might be different from what you asked, depending on the availabilities.
4. Then you will have to pay for the safety deposit online with a credit card. This payment commits you to take the room you have booked and you won't be entitled to change room once you have moved in the residence.
5. You will be able to print a certificate of accommodation, directly from the Interlog online application.
