

International Buddy Programme

A CEU San Pablo University Programme that helps international students to live a full mobility experience.

What is it?

Gymkhanas, meetings, dinners... everything to let you discover Madrid!

What do we do?

Each Faculty has an International Buddy Coordinator, who will assign each international student subscribed to the programme to a CEU student (Spanish). The Spanish student will be there to help!

How does it work?

To be part of the programme, you must fill a form that will be given to you by the International Buddy Coordinators of your faculty.
