Information sheet for students of the first semester

Dear student,

we are pleased that you have chosen one of our study programs and would like to welcome you.

This information sheet is intended to help you find the right contact person. You can speak openly with our lecturers about all topics at any time.

You can get support for subject-specific questions directly from your lecturers, the dean or associate dean, the student advisor or the dean of studies. In case of problems with hardware and software in the labs, please contact the respective lab engineer or lab manager.

All links lead you to German pages, you can of course switch to the page in English, if available.

Campus Card

Student card, semester ticket, library card, payment card, access card

The Campus Card Augsburg is the student ID card of Augsburg University of Applied Sciences in the form of a multifunctional chip card.

Before you can use the Campus Card Augsburg for the first time, you must validate it at one of the stations provided.

The validation machines are located at the university in the **M-Building in front of the lecture halls M1.01 and M1.02** and in the **H-Building at the ground floor and in the foyer of the library** (see last page for location plan).

Please also refer to the information provided by the IT Services Center:

[Startseite HS Augsburg → Studieren → Studienablauf → Erste Schritte → Campus Card Augsburg](#)

Validate your Campus Card as early as possible, otherwise you will not have a valid ticket for public transport!

In case of problems with the Campus Card, e.g. swiping in the validation machine, chip card defective, theft, loss, etc., please contact the Service Office of the IT Services Center:

<https://www.hs-augsburg.de/Rechenzentrum/Support.html#section19851>

Lecture halls

Leave the rooms as you would like to find them.

If necessary, use the waste paper baskets provided.

Manipulation - even temporarily - of the wiring of devices/tables in the lecture halls is strictly prohibited!

Use of the laboratories (computer labs, etc.)

Please observe the laboratory regulations!

Eating in the lab rooms is not permitted! Drinking in the labs is tolerated, but no vessels (cups, mugs, bottles) are allowed on the computer tables.

Manipulation - even temporarily - of the wiring of equipment/tables in the labs is strictly prohibited!

Checking your activation for laboratories, buildings and rooms (e.g. for exam preparation and study groups)

outside the usual opening hours:

Students of the Faculty of Computer Science have the possibility to activate their Campus Card for access to the buildings, lecture halls and laboratories of the Faculty if they use it outside the usual opening hours:

<https://www.hs-augsburg.de/en/service/Opening-Hours.html>

The formular for activating the Campus Card can be obtained from the secretary's office of the Faculty of Computer Science, J1.17 or at:

[Startseite Informatik → Service → Allgemeine Informationen → FAQs → Freischaltung der Campus Card für Räume und Gebäude](#)

Information on access control and checking opening authorisations:

[Startseite HS Augsburg → Studieren → Studienablauf → Rechenzentrum → Dienste → IT-Services → Zutrittskontrolle](#)

within the usual opening hours:

If you would like to book a room for your study group, please contact Mrs. Bäurle claudia.baeurle@hs-augsburg.de

To use this room outside the usual opening hours, please have your Campus Card activated for this purpose.
