

Application for recognition of study and examination achievements

- rendered at a university abroad
- rendered at a German university

To the examination board

Surname:	
First name:	
Degree program:	
Registration number:	
Email:	

I apply for the crediting of the following study and examination achievements

filed at the university _____

Name of the subject at the university where the performance was taken	Credits	External grade	Designation of the subject at the Technical University of Applied Sciences Augsburg (compulsory subject) resp. general required elective (AWP)/ course-specific elective subject (FWP)	Credits	THA grade	checked in content

I am aware that the crediting of academic achievements may result in the crediting of semesters. In this case, the period for taking the examination(s) will be shortened. A decision by the examination board will only be made if the original or certified copies of the study and examination certificates are submitted.
